Just contact your law firm, and you'll speak with an experienced lawyer about your personal legal issue. Only LegalShield gives you this kind of protection and peace of mind.

Compared to LegalShield, overpriced lawyers plead no contest.

With lawyers costing as much as \$250 an hour, few people can afford them. Those who do employ expensive lawyers have to be selective about using them.

But with LegalShield, starting at less than \$20 a month, you always have a law firm ready to step in—whether it's reviewing contracts and documents, writing letters and making phone calls on your behalf or offering other legal advice. And because you're not paying a high hourly rate, you can even get guidance on situations to help prevent legal hassles.

Spend less. Get more.
